THE ULTIMATE HYGIENIC VACUUM JUG

## HYGIENIC / HACCP

The vacuum insulated EasyClean™ vacuum jug makes both filling and cleaning easy with the extra large mouth opening!

## SUPERIOR HEAT RETENTION

Due to the stainless steel vacuum insulated double walled layers the container stays cool on the outside when filled with hot drinks and is condensation-free with cold drinks.

## UNBREAKABLE

The EasyClean vacuum jugs double walled containers are made of stainless steel 18/10 for superior heat retention. No use of glass in the insulating layer.

## LASER ENGRAVING

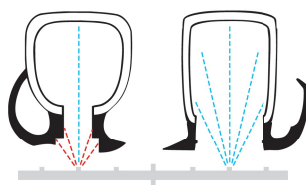

Possibility for a un-erasable laser engraving with your own text (Coffee or Tea) or logo.  
MOQ: +600 items.

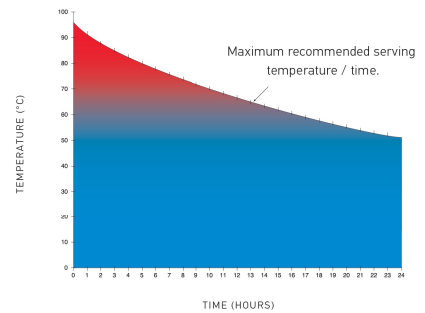

Extra large mouth opening makes filling and cleaning easy!  
approx. Ø10cm
